AUREUM
MALL & RESIDENCES

COMMERCIAL & FOOD COURT

Make room *for business.*

Shops and food court units in a landmark mall at the Bahria Town Ring Road Interchange, with anchors that bring people in all day.

ARTIST'S IMPRESSION

AUREUM MALL & RESIDENCES

One address.
Every part of life.

Shop, dine, work, pray, train and live. Aureum stands at the Bahria Town Ring Road Interchange, bordered by three government roads and open on all four sides, giving it outstanding visibility and easy access from every direction. Dedicated entrances serve the mall, hotel, offices and residences independently.

AREB
ALFALAH REAL ESTATE & BUILDERS

A project by Alfalah Real Estate & Builders. Three landmark developments completed in Bahria Town Karachi: Alfalah Tower, Liberty Clock Tower and Maison Theme Heights, with 95% occupancy across completed projects.

LOCATION

A destination for *all of Lahore.*

At the Bahria Town Ring Road Interchange, with direct frontage on the Lahore Ring Road. In real estate, location decides footfall, visibility and long-term value.

0 min	0 min	25 min
RING ROAD	BAHRIA TOWN	LAHORE AIRPORT

INSTANT ACCESS

Zero minutes from Ring Road and Bahria Town, with direct SL-3 connectivity.

CITY-WIDE REACH

Ring Road frontage brings every major neighbourhood of Lahore within easy reach.

CONSTANT VISIBILITY

Steady Ring Road traffic passes the glass facade every day, building recall.

LASTING VALUE

Prime, well-connected addresses hold their appeal over time.

ARTIST'S IMPRESSION

FOOTFALL

Built to bring *people in.*

Footfall is what turns a shop into a business. Aureum draws visitors from four directions at once, and keeps them coming from morning until late at night.

RING ROAD TRAFFIC

A constant stream of city-wide traffic passes the glass facade and exits right at the interchange.

BAHRIA TOWN ON THE DOORSTEP

One of Lahore's largest communities lives zero minutes away.

ANCHORS THAT PULL CROWDS

A 15,224 sq ft supermarket, a food court, an 11,948 sq ft play land and a 6,329 sq ft trampoline park.

BUILT-IN AUDIENCES

Hotel guests, office teams and residents add visitors every single day.

A FULL DAY OF FOOTFALL

MORNING

Supermarket shoppers, office teams and residents.

AFTERNOON

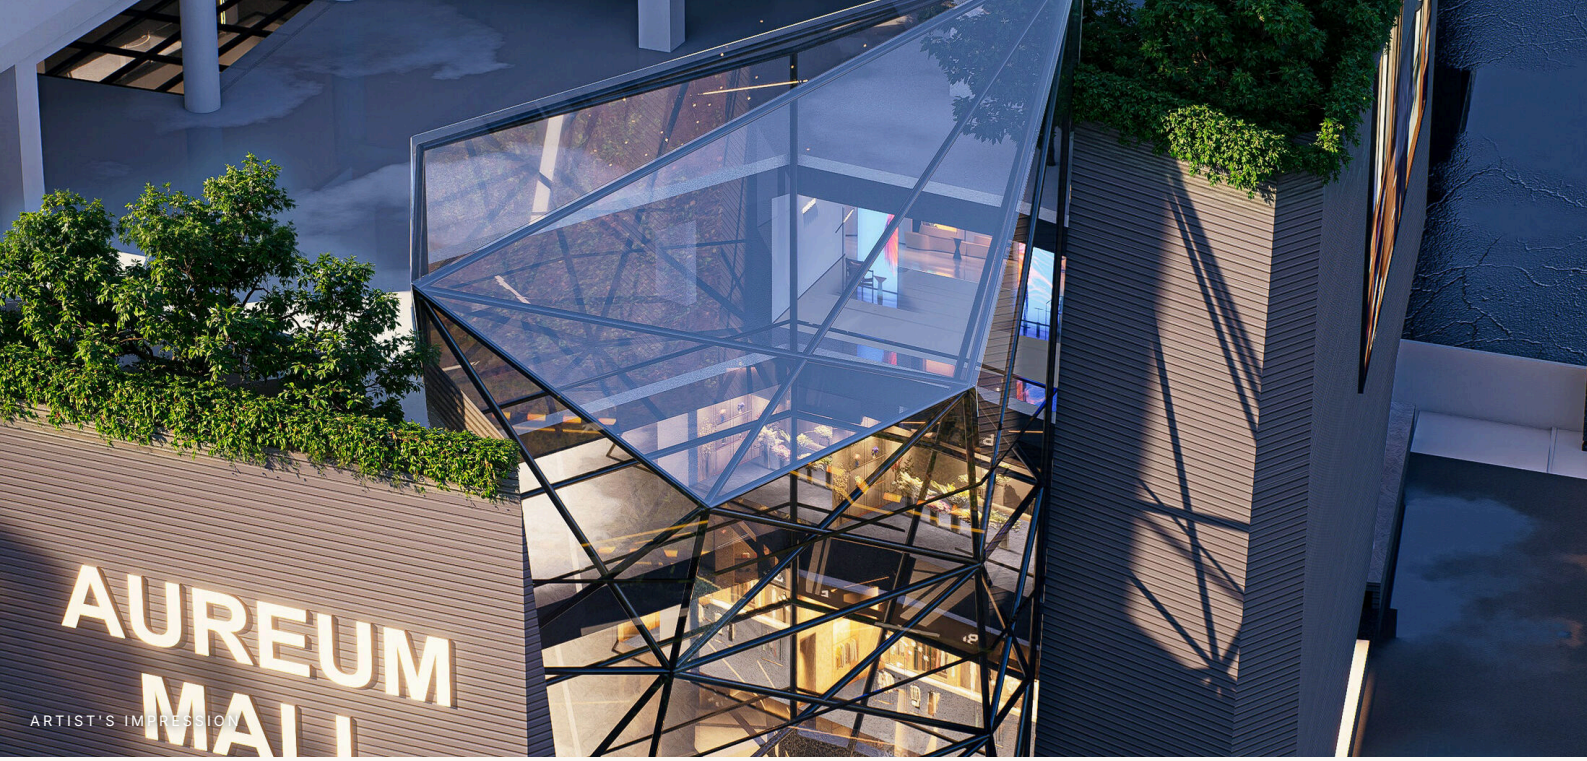

Lunch crowds, shoppers and business visitors.

EVENING

Families for dining, play land and trampoline park.

NIGHT

Rooftop dining and an illuminated facade.

ARTIST'S IMPRESSION

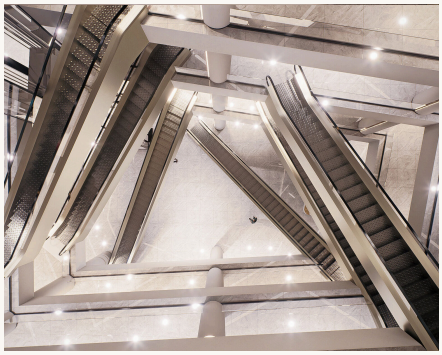

DESIGNED TO BE REMEMBERED

A facade that *lights up Ring Road.*

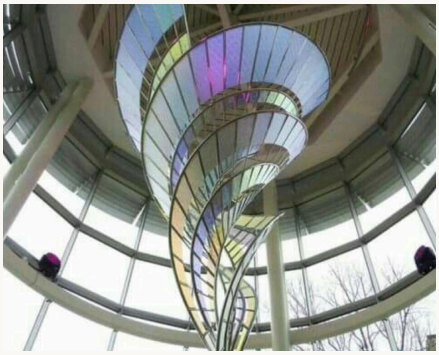

A large three-dimensional glass wall marks the main entrance, facing the Ring Road exit. It catches the sun by day and glows at night, making Aureum recognisable from a distance.

BRANDING ZONES
Clean facade walls reserved for anchor brands

CROSS-ATRIUM ESCALATORS

ARTIST'S IMPRESSION

BUILT FOR RETAIL

Where modern *meets minimalism.*

A refined monochromatic interior lets every storefront take centre stage. Generous ceiling heights allow bold shopfronts and large retail formats, while travelators, kiosks and a 15,224 sq ft supermarket keep customers moving across every level.

ARTIST'S IMPRESSION

THE FOOD COURT

Where Lahore *comes to eat.*

On the third floor, the Aureum food court brings a diverse mix of cuisines together in one bright, 25 ft high dining hall. It sits right beside the play land and trampoline park, so parents dine while children play, and every visit naturally ends at the food counters.

FOOD COURT OPPORTUNITY

A counter in *the right place.*

NEXT TO THE FAMILY ANCHORS

Beside an 11,948 sq ft play land and a 6,329 sq ft trampoline park, where families spend the most time.

SHARED DINING HALL

Common seating serves every counter, so your 301 sq ft is devoted to kitchen and service.

VISIBLE COUNTERS

Illuminated counter fronts and signage face the open hall, putting your brand in every diner's view.

BUILT-IN DAILY DEMAND

Shoppers, office teams, residents and hotel guests in one building eat here every day.

LUNCH TO LATE EVENING

Office lunch hours, after-school family visits and weekend evenings keep the counters busy.

EASY ARRIVAL

Two basement parking levels, high-speed elevators and cross-atrium escalators lead straight up.
